

# Empire United Online Uniform Ordering

## General Information

Online orders will be placed through Eurosport's soccer.com website. You must access that site from the Empire United website to use our customized Empire United ordering system. Instructions are below for the various age groups.

### Before Starting the Order

You will need:

- ◆ The player's **uniform sizes** from try on sessions
  - Please contact the Equipment Manager for your location if you do not have this information
  - Please be sure of the sizes, especially jerseys. These items are customized and cannot be returned for any reason.
- ◆ The player's **jersey number** from the team manager
  - If the wrong jersey number is ordered, jerseys will need to be re-ordered with the correct number at your cost, as customized items cannot be returned for any reason.

### U14 and older Players

The U14 and older kit is pictured below. You are required to order the entire kit (with the exception of socks if you have the same style socks from last year's kit).

Please note you may also order extra items (extra jerseys, shorts, socks, goalkeeper items), but **all players must order all three jerseys and two pairs of Nova shorts.**

## U13 and younger players

If you already have the existing Tabela kit pictured below, you do not need to order a new kit this year.

**New players ordering the full kit for the first time must order the entire kit, including two jerseys, two pairs of Striker shorts, and two pairs of socks.**

## Eurosport (soccer.com) Goal Club Members

You should sign in to your Goal Club Account once you are routed to Eurosport and before you begin to enter your order. Goal Club members can take advantage of any available special offers currently available. You will also earn Goal Club points for your order, and can redeem Goal Club points on this order.

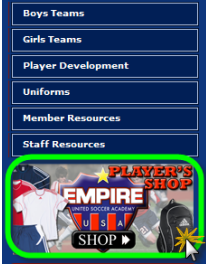

You will be notified in your 'gear bag' if you have enough goal club points for free item(s). You will see the GEAR BAG ALERT!!! banner at the top of your gear bag.

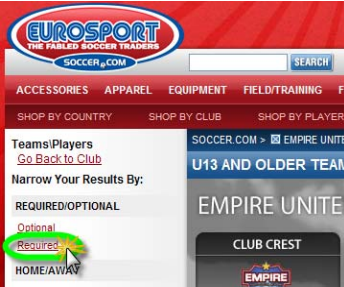

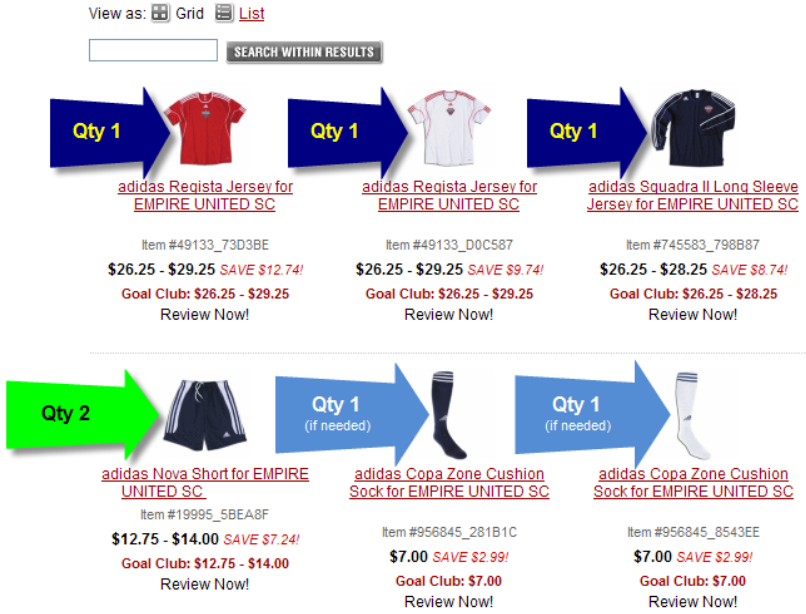

## Ordering as a Guest (not a Goal Club Member)

It is best if you can submit your order during one browser session. If you are not signed in to a Goal Club account and close the browser window before the order is submitted, you may lose the contents of the gear bag and have to start again.
